Matters Arising

- **Basket Tea.** This has been postponed due to the problems with the kitchen. It will hopefully now take place after Easter. It was decided that a raffle should take place this time.
- **Parish Social.** This will probably need to be postponed as well since there are problems with dates and securing a band.
- **Coffee Morning.** It is hoped that this will recommence on 11 February but we will use throwaway cups and plates.
- **Mass in the School.** All went well. There were no problems and there were plenty of volunteers to clear things away. A table is needed for books etc but the janitor will get one out. The altar needs to be set up at 5pm on a Saturday evening.

Next meeting will take place on Tuesday 9 February in Parish Library after 10 am mass.
